

WELCOME TO MOMENTUM GATHERING

2025

Momentum invites clinics,
suppliers and other companies to
MOMENTUM GATHERING
At Quality Expo Hotel - Fornebu

**29 May – 1 June
2025**

During the gathering, there will be lectures with interesting themes, exhibition and activities.

Maybe we will also get some inspirational lectures from others in our target group, this is something we are working on!

How do you get to Fornebu? Drive a car, take the bus, or train. The train stops at Lysaker.

If you come from far away, you can also take a plane to Gardermoen and take the train to Lysaker, VY is cheaper than Flytoget, takes around 30-40 min, from there it is a 5 min taxi ride, or bus ride to the hotel. (Bus will take longer time)

As usual, we invite suppliers, workshops, health and professional personnel.

We hope to get as many of those as possible who deliver prostheses, orthoses, etc. to the European market.

The weekend is an important meeting place to exchange experiences and enjoy yourself together with old and new friends, regardless of whether you are working in a company, a relative, amputee, orthosis user or has dysmelia.

We encourage you to invite everyone you know who can benefit from joining us on the weekend.
